Oh – and I sent you the NRRB/CSTAG comment response memo. Not sure when you'll review it, but there you go. Any questions, please reach out.

Karl,

Good morning!

I'm following up on two issues:

1. Any updates on when the draft CSTAG memo will be available?
2. It's my understanding that you'll send out a draft final version for the region to review for "fatal flaws" or factual errors before the signed memo is released and posted. We will turn around that draft as soon as possible – a few days, or a week at the most (I already have briefed folks to prioritize this when we get it). Is that ok?

Thanks!
